**DEPARTMENT OF SHAREERA RACHANA**  
**A Guest talk on “Basics of Radiology”**

**19<sup>th</sup> July 2019**

As a part of Departmental Calendar of Events a guest talk had been arranged by Department of Shareera Rachana on “Basics of Radiology” on 19.07.2019 at 11.00 AM in Atharva hall.

Dr. Rudresh Halawar, Associate Professor, Department of Radiology and Radiodiagnosis, S.N.Medical College, Bagalkot delivered an informative and in depth talk on “Basics of Radiology”. Began with introductory part of X-Rays and displayed the normal X-Ray films of different parts of the body like Chest, Knee, Shoulder, Ankle etc, points to be observed in each of the films had been explained. Then the abnormal X-ray films had been displayed and the probable diagnosis were explained.

All the First Year, Final Year BAMS students, Interns and PG students had attended the talk and it was evident that the students had been benefitted by the talk.

Dr.M.S.Hiremath, Professor HOD, Department of Shareera Rachana had welcomed the dignitaries and also gave the brief introduction of the chief guest. The function was presided over by Dr.M.M.Salimath, Principal of the college. During his presidential talk, he has stressed the important role of Radiology in the diagnosis and sought the support of Radiology Department of S. N. Medical College in future days also. Dr.R.I.Jambagi, Professor, Department of Shareera Rachana had given vote of thanks.
