DEPARTMENT OF KRIYASHAREERA

A report of "Guest talk on ECG "

24th May- 2019

As a part of Academic Activity and Calendar of events, a guest talk has been arranged by Department of Shareera Kriya on "ECG" on 24/05/2019 at 4:00 pm in Auditorium hall.

Dr. Vijayashekar M. Biradar ^{MBBS(DNB)} Internal Medicine Physician, Katti Hospital, Bagalkot delivered an informative and in depth talk on 'ECG'. Beginning with the production of ECG, the person who invented ECG, abnormal ECG of many patients with their interpretations were highlights of the talk. Besides Dr. V. M. Biradar sir also gave stress on Chest Leads and procedure of ECG on a person as these are of more clinical benefits in day to day practice.

All the students from 1st year to final year BAMS, Interns ,PG scholars and all the staff had attended the talk. It seems that the students have been benefitted more with the talk.

Dr. Manjula V. Kurahatti, Lecturer, Department of Shareera Kriya, welcomed the dignitaries. The function was presided over by Dr. M.M. Salimath Principal of our college. During his presidential speech, he stressed on the importance of ECG in our daily practise. As a departmental faculty Dr.R.M.Jadimath, Lecturer and Dr. M.V.Kurahatti, Lecturer where present to the guest talk.. Anchoring by Miss.Sana and Miss.Aishwarya student of 1st year delivered vote of thanks.
