## **World Environment Day**

On the eve of world environment day, plantation of different Medicinal plants like Raktachandana, Shigru, Chirabilva Narikela, Kumari, Ashwatha, etc. in our Vanoushadhi-Udyanavana in collaboration with the Basaveshwar science college Bagalkot was done to create awareness regarding conservation and protection of Medicinal plants.

The function was conducted and presided by our beloved Principal Dr.M.M.Salimath, HOD Department of Dravyaguna Dr.G.S.Kulkarni and other staff members including PG scholars were present.

Incharge Principal Shri.M.K.Bhusanuramath of Basaveshwara Science College, faculty members Shri.S.A.Ganachari, Shri.Girish and students were present.
