**REPORT ON MUSEUM & LABORATORY VISIT**

As per particulars of the Calendar Events, Department of Roganidana has arranged a Educational Visit to Museum, clinical pathology lab and Radiology unit of S.N Medical College in Bagalkot on 13<sup>th</sup> and 20<sup>th</sup> May 2019.

On 13<sup>th</sup> May at 9:30am from BVVS Ayurveda medical college Bagalkot we moved towards S.N Medical College. At 10 am after finishing all the formalities in department of Pathology (SNMC), our students has been taken to Histopathological Lab and thought the procedure of tissue culture and our students visited Genetic lab. Next we Visited Microbiology lab and students seen culture plates and its microorganism cultivation using the sputum& urine. Later our students moved towards hematology lab to observe hematological and biochemical auto-analyzer machines including the automated Hormonal assay machine & arterial blood gas analyzer. At 12:50 pm we returned to BVVS Ayurveda medical college. Next week on 20<sup>th</sup> May we visited to radiological investigation unit in the S.N Medical College. We moved to S.N Medical College, Bagalkot at 10 am. Our students thought about equipment and procedure during X-Ray, CT and MRI. At 1:15 pm we returned to BVVS Ayurveda medical college.

Students showed interest to observe and learnt new things during the visit. Department of Roganidana will be thankful to Principal of our college, principal, department of radiology and department of pathology of S.N Medical College.
